The Faith of Fallen Jews David N. Myers 2013-12-03 From his first book, From Spanish Court to Italian Ghetto, to his well-known volume on Jewish memory, Zakhor, to his treatment of Sigmund Freud in Freud's Moses, Yosef Hayim Yerushalmi (1932-2009) earned recognition as perhaps the greatest Jewish historian of his day, whose scholarship blended vast erudition, unfettered creativity, and lyrical beauty. This volume charts his intellectual trajectory by bringing together a mix of classic and lesser-known essays from the whole of his career. The essays in this collection, representative of the range of his writing, acquaint the reader with his research on early modern Spanish Jewry and the experience of crypto-Jews, varied reflections on Jewish history and memory, and Yerushalmi's enduring interest in the political history of the Jews. Also included are a number of little-known autobiographical recollections, as well as his only published work of fiction.

The Gospel of Adam David Bishop 2014-11-22 The Bible's story of creation in Genesis names Adam as the first human in history. His story with Eve in the Garden of Eden is widely known-but what if he actually played a larger part in the story of humanity? In The Gospel of Adam, David L. Bishop takes well-known stories and characters from history and presents them through the eyes of Adam, as though he were living throughout all time on a mission to restore fallen humanity to a place worthy of returning to perfection. Following Adam through his profound interactions with Noah, King David, Jesus of Nazareth, and even Adolf Hitler, this book shows how Adam struggles not only with his mission to help humanity but also his own internal doubts as a man of faith. In the vein of works like The Da Vinci Code and The Last Templar, Bishop's The Gospel of Adam weaves history, philosophy, religion, and politics throughout a thought-provoking first-person narrative that both challenges and inspires the reader to consider what it really means to be human.

God, Take Over; I Am Finished Catherine Agada 2013-07 In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. God, Take

Over; I Am Finished is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. God, Take Over; I Am Finished can restore hope and improve your relationships with God and man.

Broken Covenant, Fallen World Steven T. Poelman 2011-11-16 Broken Covenant, Fallen World THE COVENANT OF WORKS The first of five volumes in the series, Covenants of the Almighty. The purpose of this series is to help ordinary Christians understand God's covenants at an easier reading level than most theology, the reading level of those who speak English as a second language. Collegiate language is minimal, colloquial idiosyncrasies are avoided, and illustrations can be universally understood. Difficult points are explained as simply as possible, sometimes from several approaches for readers who may not quickly grasp spiritual concepts. This series views the divine covenants through the lens of the New Testament, especially through the writings of the apostle Paul. The apostle's comments are taken as divinely inspired commentary explaining the true meaning of the text. Volume One examines the covenant God established with the first man in the Garden of Eden. For centuries this covenant has been described by theologians as a "covenant of works." The Covenant of Works is normally seen as a contrast to the Covenant of Grace that God established through Jesus Christ for man's salvation. Recent debates have questioned these distinctions. This book skips the debate, to avoid putting some readers on the defensive, while making a case for the validity and essential nature of the Covenant of Works. The first part of the book is a "Synopsis of Covenant Theology" for readers who want an overview of the covenants or need to understand how to bring together the details described in later chapters of the series. This is a survey of main points of the covenants within their historical context. The second part of this first volume explains the history, meaning and application of the Covenant of Works, and its importance for a correct understanding of Biblical concepts such as the covenant, the fall of man into sin, the final judgment, redemption, Christ's role as Mediator and Last Adam, and Edenic themes in the promises of the new covenant in Christ Jesus. Other books planned for the series, Covenants of the Almighty: Volume Two: Camp of the Saints. (Release date: July/August 2012) God's Covenant with Abraham promised justification by grace through faith for believers from all nations. A study of the basics of the Covenant of Grace within the Abrahamic Covenant. Important lessons for all pilgrims who walk in the steps of Abraham's faith today. Volume Three: The Lighthouse Kingdom (January 2013) God created the kingdom of Israel for His own glory, to reveal His righteousness to the nations, and to proclaim the future appearance of the Messiah who would bring salvation to all the earth and rule over all nations. Understand the old covenant through the illumination of the apostles, and sit at Moses' feet to ponder mysteries of the Messiah and the kingdom of heaven and gain insights valuable for citizens of heaven's kingdom. Volume Four: Dawn of Heaven's Light (Summer 2013) The way into the kingdom of heaven is opened only through the death and resurrection of the King of heaven. He came from heaven to establish His kingdom in the hearts of believers from every language, tribe, people and nation. After conquering the grave, Christ returned to heaven to serve His kingdom forever as King and High Priest of the new covenant. Volume Five: Heaven's Lamps in the Valley

of Sorrows (Early 2014) The close relationship of the lines of covenant and eschatology throughout Biblical history until they come together and find their fulfillment in one man, Jesus Christ.

Calibrating the Christian Mind Bullus Moses Gago 2017-09-14 The Christian faith has fallen victim to the times. Its original purpose and meaning is redefined by those who criticize it.
