How Lincoln Learned to Read Daniel Wolff 2009-07-01 How Lincoln Learned to Read tells the American story from a fresh and unique perspective: how do we learn what we need to know? Beginning with Benjamin Franklin and ending with Elvis Presley, author Daniel Wolff

creates a series of intimate, interlocking profiles of notable Americans that track the nation's developing notion of what it means to get a "good education." From the stubborn early feminism of Abigail Adams to the miracle of Helen Keller, from the savage childhood of Andrew Jackson to the academic ambitions of W.E.B. Du Bois, a single, fascinating narrative emerges. It connects the illiterate Sojourner Truth to the privileged Jack Kennedy, takes us from Paiute Indians scavenging on western deserts to the birth of Henry Ford's assembly line. And as the book traces the education we value - both in and outside the classroom - it becomes a history of key American ideas. In the end, *How Lincoln Learned to Read* delivers us to today's headlines. Standardized testing, achievement gaps, the very purpose of public education - all have their roots in this narrative. Whether you're a parent trying to make sure your child is prepared, a teacher trying to do the best possible job, or a student navigating the educational system, *How Lincoln Learned to Read* offers a challenge to consider what we need to know and how we learn it. Wide-ranging and meticulously researched, built mostly on primary sources, this is an American story that begins and ends with hope.

Lincoln David Herbert Donald 2011-12-20 A masterful work by Pulitzer Prize-winning author David Herbert Donald, *Lincoln* is a stunning portrait of Abraham Lincoln's life and presidency. Donald brilliantly depicts Lincoln's gradual ascent from humble beginnings in rural Kentucky to the ever-expanding political circles in Illinois, and finally to the presidency of a country divided by civil war. Donald goes beyond

biography, illuminating the gradual development of Lincoln's character, chronicling his tremendous capacity for evolution and growth, thus illustrating what made it possible for a man so inexperienced and so unprepared for the presidency to become a great moral leader. In the most troubled of times, here was a man who led the country out of slavery and preserved a shattered Union—in short, one of the greatest presidents this country has ever seen.

One Man Great Enough John C. Waugh 2009-02-13 From the author of *The Class of 1846*: "A swift-paced narrative of Lincoln's pre-presidential life." —The Washington Post Book World How did Abraham Lincoln, long held as a paragon of presidential bravery and principled politics, find his way to the White House? How did he become the one man great enough to risk the fate of the nation on the well-worn but cast-off notion that all men are created equal? Here, award-winning historian John C. Waugh takes readers on Lincoln's road to the Civil War. From his first public rejection of slavery to his secret arrival in the capital, from his stunning debates with Stephen Douglas to his contemplative moments considering the state of the country he loved, Waugh shows us America as Lincoln saw and described it. Much of this wonderful story is told by Lincoln himself, detailing through his own writing his emergence onto the political scene and the evolution of his beliefs about the Union, the Constitution, democracy, slavery, and civil war. Waugh sets Lincoln's path in new relief by letting the great man tell his own story, at a depth that brings us ever closer to understanding this mysterious, complicated, and truly great man. "Lively prose backed with solid research."

—Publishers Weekly "[Waugh's] judicious use of the historical record and his dramatic prose make for an enjoyable read." —Kirkus Reviews

Abraham Lincoln, American Prince Wayne Soini 2022-02-16 The relationship between Abraham Lincoln and his two most influential ancestors, his mother and "the Virginia planter," a slaveholder, a shadowy grandfather he likely never met, is rarely mentioned in Lincoln biographies or in history texts. However, Lincoln, forever linked to the cause of freedom and equality in America, spoke candidly of the planter to his law partner, Billy Herndon, who recalled his words, "My mother inherited his qualities and I hers. All that I am or ever hope to be I get from my mother--God bless her." This vital two-generation relationship was nonetheless problematic. In Lincoln's boyhood the planter was a figure he ridiculed while in his young manhood the planter evolved into a role model whom Lincoln revered and associated with Jefferson's overdue ideal that "all men are created equal." Thus galvanized "by blood" to educate himself, to stand for election and to oppose slavery, Lincoln quit farming at age 22. This book explains how he thus followed an inherited family dream.

From ruin to limbo to triumphant return, Wolff offers an intimate look at the lives of everyday American heroes. As these lives play out against the ruined local landscape and an emerging national recession, The Fight for Home becomes a story of resilience and hope.The Fight for Home is their story, a story that begins after a national disaster and continues into a national recession. The Life of Abraham Lincoln Henry Ketcham 1901 "In his introduction to The Life of Abraham Lincoln, Henry Ketcham notes that there has been so much written about Lincoln that the legend has begun to obscure, if not to efface, the man. In this biography the single purpose has been to present the living man with such distinctness of outline that the reader may have a sort of feeling of being acquainted with him. Ketcham's clearly-written, unadorned account of Lincoln's life achieves its stated purpose, never removing its focus from the man who became the 16th President of the United States and led the nation through some of its most turbulent and difficult times."--Amazon.com

Leadership Doris Kearns Goodwin 2019-10-01 Now an epic documentary event on the HISTORY Channel! The illuminating, bestselling exploration on leadership from Pulitzer Prize-winning author and presidential historian Doris Kearns Goodwin, and also the inspiration for the HISTORY Channel multipart series Abraham Lincoln and Theodore Roosevelt. "After five decades of magisterial output, Doris Kearns Goodwin leads the league of presidential historians" (USA TODAY). In her "inspiring" (The Christian Science Monitor) Leadership, Doris Kearns Goodwin draws upon the four presidents she has studied most closely—Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt, and Lyndon B. Johnson (in civil rights)—to show how they recognized leadership qualities within themselves and were recognized as leaders by others. By looking back to their first entries into public life, we encounter them at a time when their paths were filled with confusion, fear, and hope. Leadership tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to shatter forever their ambitions. Nonetheless, they all emerged fitted to confront the contours and dilemmas of their times. At their best, all four were guided by a sense of moral purpose. At moments of great challenge, they were able to summon their talents to enlarge the opportunities and lives of others. Does the leader make the times or do the times make the leader? "If ever our nation needed a short course on presidential leadership, it is now" (The Seattle Times). This seminal work provides an accessible and essential road map for aspiring and established leaders in every field. In today's polarized world, these stories of authentic leadership in times of apprehension and fracture take on a singular urgency. "Goodwin's volume deserves much praise—it is insightful, readable, compelling: Her book arrives just in time" (The Boston Globe).
