THE JUNGLE BOOK Mowgli's Brothers Mowgli's Brothers Now Rann the Kite brings home the night That Mang the Bat sets free-- The herds are shut in byre and hut For loosed till dawn are we. This is the hour of pride and power, Talon and tush and claw. Oh, hear the call!--Good hunting all That keep the Jungle Law! Night-Song in the Jungle It was seven o'clock of a very warm evening in the Seonee hills when Father Wolf woke up from his day's rest, scratched himself, yawned, and spread out his paws one after the other to get rid of the sleepy feeling in their tips.

Mother Wolf lay with her big gray nose dropped across her four tumbling, squealing cubs, and the moon shone into the mouth of the cave where they all lived. "Augrh!" said Father Wolf. "It is time to hunt again." He was going to spring down hill when a little shadow with a bushy tail crossed the threshold and whined: "Good luck go with you, O Chief of the Wolves. And good luck and strong white teeth go with noble children that they may never forget the hungry in this world." It was the jackal--Tabaqui, the Dish-licker--and the wolves of India despise Tabaqui because he runs about making mischief, and telling tales, and eating rags and pieces of leather from the village rubbish-heaps. But they are afraid of him too, because Tabaqui, more than anyone else in the jungle, is apt to go mad, and then he forgets that he was ever afraid of anyone, and runs through the forest biting everything in his way. Even the tiger runs and hides when little Tabaqui goes mad, for madness is the most disgraceful thing that can overtake a wild creature. We call it hydrophobia, but they call it dewanee--the madness-- and run. "Enter, then, and look," said Father Wolf stiffly, "but there is no food here."

The Man Who Would Be King Rudyard Kipling 2020-08-14 The Law, as quoted, lays down a fair conduct of life, and one not easy to follow. I have been fellow to a beggar again and again under circumstances which prevented either of us finding out whether the other was worthy. I have still to be brother to a Prince, though I once came near to kinship with what might have been a veritable King and was promised the reversion of a Kingdom - army, law-courts, revenue and policy all complete. But, today, I greatly fear that my King is dead, and if I want a crown I must go and hunt it for myself. The beginning of everything was in a railway train upon the road to Mhow from Ajmir. There had been a deficit in the Budget, which necessitated travelling, not Second-class, which is only half as dear as First-class, but by Intermediate, which is very awful indeed. There are no cushions in the Intermediate class, and the population are either Intermediate, which is Eurasian, or native, which for a long night journey is nasty; or Loafer, which is amusing though intoxicated. Intermediates do not patronize refreshment rooms. They carry their food in bundles and pots, and buy sweets from the natives sweetmeat-

sellers, and drink the roadside water. That is why in the hot weather Intermediates are taken out of the carriages dead, and in all weathers are most properly looked down upon. My particular Intermediate happened to be empty till I reached Nasirabad, when a huge gentleman in shirt-sleeves entered, and, following the custom of Intermediates, passed the time of day. He was a wanderer and a vagabond like myself, but with an educated taste for whiskey. He told tales of things he had seen and done, of out-of-the-way corners of the Empire into which he had penetrated, and of adventures in which he risked his life for a few days' food. "If India was filled with men like you and me, not knowing more than the crows where they'd get their next day's rations, it isn't seventy millions of revenue the land would be paying - it's seven hundred million," said he; and as I looked at his mouth and chin I was disposed to agree with him. We talked politics - the politics of Loaferdom that sees things from the underside where the lath and plaster is not smoothed off - and we talked postal arrangements because my friend wanted to send a telegram back from the next station to Ajmir, which is the turning-off place from the Bombay to the Mhow line as you travel westward. My friend had no money beyond eight annas which he wanted for dinner, and I had no money at all, owing to the hitch in the Budget before mentioned. Further, I was going into a wilderness where, though I should resume touch with the Treasury, there were no telegraph offices. I was, therefore, unable to help him in any way

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. - From publisher description.

Welcome to the Jungle Hilary Smith 2017-03-01 A Bipolar Guide from a Bipolar Person Welcome to the Jungle has a greater focus on bipolar people, not the diagnosis: the ways in which each person can find his or her own way through the extreme emotional states and intense experiences that we are calling "bipolar"—whether that means medication or meditation, psychiatrists or vision quests, good sleep or good all-night dancing, or a little bit of everything. An honest, relatable book that can help you figure out how to live your life with bipolar disorder. Many bipolar books are too clinical, too alarmist, and too clearly written for family members and caretakers of people diagnosed with this mood disorder. Welcome to the Jungle is different. Author Hilary Smith wrote this guide because it is the book she wishes she'd been given when she was first diagnosed with bipolar disorder. It answers questions, points to resources, and most of all, comes from someone who understands what it's like to be thrown off course by an overwhelming mental health issue—and what to do afterwards. Know that you are not alone—and that many paths can lead to healing. Just like for everyone else, there are many, many paths that bipolar people can take in life. Learn more about how to live your own life with a mental illness using the help of the insights in Welcome to the Jungle, which covers topics such as: Wrapping your head around triggers, causes of mood swings, medications, and therapists Recovering from mental breakdowns, manic moments, and major depressive episodes Living your life beyond the diagnosis—and helping your family to do the same Readers of bipolar mental health books like The Bipolar Workbook, Rock Steady, or OMG That's Me! will love the devastatingly on-target, honest insights offered in Welcome to the Jungle. *This book is not intended to diagnose, treat, or prevent any illness or act as a substitute for advice from a doctor or psychiatrist.*

Rubyfruit Jungle Rita Mae Brown 2014-06-25 "The rare work of fiction that has changed real life . . . If you don't yet know Molly Bolt—or Rita Mae Brown, who created her—I urge you to read and thank them both."—Gloria Steinem Winner of the Lambda Literary Pioneer Award | Winner of the Lee Lynch Classic Book Award A landmark coming-of-age novel that launched the career of one of this country's most distinctive voices, Rubyfruit Jungle remains a transformative work more than forty years after its original publication. In bawdy, moving prose, Rita Mae Brown tells the story of Molly Bolt, the adoptive daughter of a dirt-poor Southern couple who boldly forges her own path in America. With her startling beauty and crackling wit, Molly finds that women are drawn to her wherever she goes—and she refuses to apologize for loving them back. This literary milestone continues to resonate with its message about being true to yourself and, against the odds, living happily ever after. Praise for Rubyfruit Jungle "Groundbreaking."—The New

York Times "Powerful . . . a truly incredible book . . . I found myself laughing hysterically, then sobbing uncontrollably just moments later."—The Boston Globe "You can't fully know—or enjoy—how much the world has changed without reading this truly wonderful book."—Andrew Tobias, author of The Best Little Boy in the World "A crass and hilarious slice of growing up 'different,' as fun to read today as it was in 1973."—The Rumpus "Molly Bolt is a genuine descendant—genuine female descendant—of Huckleberry Finn. And Rita Mae Brown is, like Mark Twain, a serious writer who gets her messages across through laughter."—Donna E. Shalala "A trailblazing literary coup at publication . . . It was the right book at the right time."—Lee Lynch, author of Beggar of Love

Field Guide to the Arrhythmias Ellis Lader 2013-05-06 ...The cardiac unit is a jungle, inhabited by fierce nurses, killer intensivists, marauding attendings, various flesh-eating specialists, sick patients, and lots of arrhythmias. —from the Preface Can you recognize the call of the normal sinus rhythm? Name the natural habitat of Multifocal Atrial Tachycardia or Ventricular Fibrillation? Are you well-versed in the proper care and feeding of Asystole and Atrial Flutter? If you answered "no" to any of these questions, then you need this trusty guide to help you identify and respond to arrhythmias in the veritable wilderness of the busy hospital ward. Created by a seasoned physician educator at a major urban medical center and inspired by the "field guides" used by birders, botanists and the like to identify flora or fauna in the wild, this new book offers a unique — and uniquely humorous -- approach to mastering the ever-vexing challenge of arrhythmia identification. Each arrhythmia is covered beginning with a sample ECG strip, followed by brief text describing its significant characteristics; where and when it is likely to be encountered (its "Habitat"); comments, questions and queries likely to be heard from physicians and other colleagues on the ward (the "Call"); and finally what steps the reader needs to take upon identifying the

arrhythmia in a patient ("Care and Feeding"). Dr. Lader's approach brings the sights and sounds of a modern hospital to life, enabling you to understand arrhythmia diagnosis and clinical response in context, and his offbeat, sometimes irreverent humor makes each detail memorable. Fifty self-assessment questions are included to help you master arrhythmia essentials and test your knowledge.

The Jungle Upton Sinclair 2017-06-19 The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

The Brass Check Upton Sinclair 2003 In this systematic critique of the structural basis of U.S. media -- arguably the first one ever published -- Upton Sinclair writes that "American journalism is a class institution serving the rich and spurning the poor." Likening journalists to prostitutes, the title of the book refers to a chit that was issued to patrons of urban brothels of the era. Fueled by mounting disdain for newspapers run by business tycoons and conservative editors, Sinclair self-published The Brass Check in the years after The Jungle had made him a household name. Despite Sinclair's claim that this was his most important book, it was dismissed by critics and shunned by reviewers. Yet it sold over 150,000 copies and enjoyed numerous printings. A substantial introduction to this paperback edition by Robert W. McChesney and Ben Scott asserts the book's importance as a cornerstone critique of commercial journalism and a priceless resource for understanding the political turbulence of the Progressive Era.

The stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in

Vermont. Famous stories of The Jungle Book Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.

Grandma Gatewood's Walk Ben Montgomery 2014-04-01 Emma Gatewood was the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times and she did it all after the age of 65. This is the first and only biography of Grandma Gatewood, as the reporters called her, who became a hiking celebrity in the 1950s and '60s. She appeared on TV with Groucho Marx and Art Linkletter, and on the pages of Sports Illustrated. The public attention she brought to the little-known footpath was unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence. He also unearthed historic newspaper and magazine articles and interviewed surviving family members and hikers Gatewood met along the trail. The inspiring story of Emma Gatewood illustrates the full power of human spirit and determination.

The Most Dangerous Game Richard Connell 2021-01-01 ♥♥ The Most Dangerous Game by Richard Connell ♥♥ The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the

yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.
